Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On October 4, 2021, Sonnet BioTherapeutics Holdings, Inc. (the "Company") received a letter from the Listing Qualifications Staff of The Nasdaq Stock Market, LLC ("Nasdaq") indicating that, based upon the closing bid price of the Company's common stock, par value \$0.0001 per share ("Common Stock"), for the last 30 consecutive business days, the Company is not currently in compliance with the requirement to maintain a minimum bid price of \$1.00 per share for continued listing on the Nasdaq Capital Market (the "Minimum Bid Price Requirement"), as set forth in Nasdaq Listing Rule 5550(a)(2) (the "Minimum Bid Price Notice").

The Minimum Bid Price Notice has no immediate effect on the continued listing status of the Company's Common Stock on the Nasdaq Capital Market, and, therefore, the Company's listing remains fully effective.

The Company is provided a compliance period of 180 calendar days from the date of the Minimum Bid Price Notice, or until April 4, 2022, to regain compliance with the Minimum Bid Price Requirement, pursuant to Nasdaq Listing Rule 5810(c)(3)(A) (the "Minimum Bid Price Compliance Period"). If at any time before April 4, 2022, the closing bid price of the Company's Common Stock closes at or above \$1.00 per share for a minimum of 10 consecutive business days, subject to Nasdaq's discretion to extend this period pursuant to Nasdaq Listing Rule 5810(c)(3)(G), Nasdaq will provide written notification that the Company has achieved compliance with the Minimum Bid Price Requirement, and the matter would be resolved. If the Company does not regain compliance during the Minimum Bid Price Compliance Period, then Nasdaq may grant the Company a second 180 calendar day period to regain compliance, provided the Company (i) meets the continued listing requirement for market value of publicly-held shares and all other initial listing standards for the Nasdaq Capital Market, other than the Minimum Bid Price Requirement and (ii) notifies Nasdaq of its intent to cure the deficiency.

The Company will continue to monitor the closing bid price of its Common Stock and seek to regain compliance with all applicable Nasdaq requirements within the allotted compliance periods. If the Company does not regain compliance with the Minimum Bid Price Requirement within the allotted compliance period, the Company will receive a written notification from Nasdaq that its securities are subject to delisting. The Company would then be entitled to appeal that determination to a Nasdaq hearings panel. There can be no assurance that the Company will regain compliance with the Minimum Bid Price Requirement during the 180-day compliance period, secure a second period of 180 days to regain compliance or maintain compliance with the other Nasdaq listing requirements.

Item 8.01. Other Events.

As previously reported, on August 19, 2021, the Company received a notice from Nasdaq advising the Company that its Market Value of Listed Securities (“MVLS”) had been below the minimum of \$35,000,000 required for continued listing on the Nasdaq Capital Market pursuant to Nasdaq Listing Rule 5550(b)(2) (the “MVLS Requirement”). On October 7, 2021, the Company received a letter from Nasdaq indicating that the Staff had determined that, from September 15 to October 6, 2021, the Company’s MVLS had been \$35,000,000 or greater. Accordingly, the Staff determined that the Company has regained compliance with the MVLS Requirement and that the matter is now closed.

We are not currently in compliance with the continued listing requirements for the Nasdaq Capital Market. If we do not regain compliance and continue to meet the continued listing requirements, our common stock may be delisted from the Nasdaq Capital Market, which could affect the market price and liquidity for our common stock and reduce our ability to raise additional capital.

Our common stock is listed on the Nasdaq Capital Market. In order to maintain that listing, we must satisfy minimum financial and other requirements including, without limitation, the Minimum Bid Price Requirement and the MVLS Requirement.

The Company intends to monitor the closing bid price of its Common Stock, and may, if appropriate, consider implementing available options to regain compliance with the Minimum Bid Price Requirement. There can be no assurance that we will be able to regain compliance with the Minimum Bid Price Requirement, or maintain compliance with the Minimum Bid Price Requirement or the MVLS Requirement, even if we implement an option that regains our compliance.

If we fail to regain compliance with the Minimum Bid Price Requirement or to meet the other applicable continued listing requirements for the Nasdaq Capital Market in the future and Nasdaq determines to delist our common stock, the delisting could adversely affect the market price and liquidity of our common stock and reduce our ability to raise additional capital. In addition, if our common stock is delisted from Nasdaq and the trading price remains below \$5.00 per share, trading in our common stock might also become subject to the requirements of certain rules promulgated under the Exchange Act, which require additional disclosure by broker-dealers in connection with any trade involving a stock defined as a “penny stock” (generally, any equity security not listed on a national securities exchange or quoted on Nasdaq that has a market price of less than \$5.00 per share, subject to certain exceptions).
